There's a silent mysticism to campfires, a warm, almost delirious dance that has the power to embrace and energize me like few other things can. Men are often surprised when I tell them how important fire is to me. Sometimes, it even intimidates them to see the fires come out in me. But this power is so intense it can be hard to contain it.

I've always been an outdoorsy type, large and well-built. When my best friend, Alanis, asked if I wanted to go camping a few weeks ago, I didn't hesitate. We packed up and headed out to one of the many campsites I'd grown up getting to know, ready to take in the fresh air and disconnect for a weekend with just the two of us.

As night closed in, Alanis started to build the fire and I noticed that she needed to adjust some of the logs for it to catch right. I went over to help her out, brushing against her side playfully as I showed her the best way to let the fire breathe. We shared a quick smile, and I went back to preparing our feast.

*Passions spring eternal.
Carnal cravings know no bounds
when lips, mouths, breasts, nipples,
pussies and buttoholes are in play.*

Night seemed to have a lingering taste of winter, and we quickly huddled close together next to the fire, feeling the same comfort and serenity we'd felt for all our lives as best friends. Slowly, the stories grew older, fonder, and I felt her head drift over against my shoulder. After a while, we both got caught up in the flames. The beautiful dance continuing to mesmerize. I poked at the fire and added another log before getting a blanket to wrap around us as we had some cocoa. Eventually, I felt her slip into a soft, gentle sleep against my shoulder.

I could feel her breath rising and falling, could feel the heat, mixed with the fire, drawing me in. I wrapped an arm around her, holding her close, and, after watching her just breathe in the dancing firelight for what felt like an eternity, I leaned in and kissed her gently.

Her eyes opened slowly as I pulled back from the kiss. My breath was short, and nervous. But her hand simply slid up to my face and she leaned in

to kiss me again. We made out, feeling our bodies heat in the fire between us. There was no rush, but a passion, a desire that drove us forward. She let her hands move down to my shirt, pulling it quickly up and over my head. I popped the buttons on hers, along with the front clasp bra hook to release her large chest. Alanis normally wore her bra tight, so seeing her at full release was eye opening and mouthwatering.

With a last kiss, I leaned her back and admired her large pillows before diving into them. My mouth licked at each perky nipple softly, leaving a wet mark that quickly chilled in the air, which only made her chest poke out more. I took care of both, when I wasn't licking a nipple, my fingers were pinching and playing with it. Alanis's breath shortened and quickened, and she finally pushed me back with a wide grin.

She quickly made for my pants and, getting them off, dove in before I could try to stop her. As soon as her slick tongue found my clit, I let out a scream. I leaned back and let her have it, enjoying every surge of energy that she sent through my body from her surprisingly well used tongue. She was good, twisting and turning, pulling out and diving in with perfect timing. Every surge was like a new orgasm, and she hadn't even gotten me there yet.

I pulled her up and made out with her before moving us to the tent where I had my collection of toys. I let her choose one before I lay her back on the air mattress. Grinning, I slid the large toy across her lips before I let it slide down her chest and toward her own wet pussy. I teased her clit with the toy before leaning down to return the favor she'd done me outside. She squirmed and shook, moaning loudly and without a care as I finally slid the long toy inside.

Alanis screamed and reached out for me, pulling my face in to make out with me. As she got me to lay across her, her fingertips found my pussy and slid what I knew must've been the largest toy I had into me, getting my scream out.

I looked down at her devilishly, held tightly in my arms and felt the passionate fires scream through me and I let go, throwing my back up and screaming into the night, all while reaching down and plowing her with the other toy until she joined me in blissful agony a few seconds later.

We each made the other orgasm at least twice that night, all in

the light of the campfire.

SOMETHING LIKE THIS

It's sometimes hard to know what a perfect night feels like. There are other times where its appearance is completely obvious. A couple of months ago I had one of those nights. My girl, Monica, and I were on vacation and out late, jumping between a few bars before heading back to the hotel and the last drinks of the night.

I had a nice buzz built up from the bar hopping, and I was starting to get a little impatient for the next part of the night. I suggested we skip the hotel bar, but Monica insisted on one more. Looking toward the elevator longingly, I turned and followed her to the bar, figuring one more drink wouldn't be that long anyway.

We ordered and Monica started talking with the bartender, a tall, dark-haired beauty with a deep tan and dark, enticing eyes named Naomi. I didn't notice her at first, but eventually I caught on that Monica wasn't just talking, but flirting. For a second, I thought I'd had too much to drink. But apparently, Naomi's shift was over soon, and a room

upstairs was the best of-fer she'd had all night.

We parted ways with Monica giving Naomi one of our room keys and I grew nervous as we headed to the elevator. Monica and I talked about the fantasy of a three-way one day, but I never thought I would actually happen, and even less so that it would happen at a hotel bar. When we got up to the room, though.

Monica pressed me back up against the door and kissed me hard. She stared at me with her black eyes and told me that this was happening and that it was an adventure. Barely a second after I nodded to her, the door beeped and clicked, with Naomi quietly stepping in.

My heart was racing as Monica led us both back to the bed, only to quickly shove me onto the mattress while she wrapped her arms around Naomi, pulling her in close to start making out in front of me. I don't think I've ever felt my dick struggling so hard to get free, and I had little choice but to open my pants and let it out.

Naomi started pulling Monica's top off, revealing her petite, perky breasts held back by a tight black lace bra, while Naomi ripped her shirt off, pulling her bra off in the process. Her tan didn't have any lines, with the dark outline of her nipples the only real change of shade. I gulped and started to stand up, only for both women to quickly extend a hand and push me back on the bed.

This was my gift, so I was expected to enjoy it for what I'm given. I slid off my pants and started to slowly jack off, my eyes locked on Monica pulling her own bra off. I let out a gasp as I watched their breasts press together and felt a stab of even jealousy as their hands started to slide down each other's pants.

As they finished undressing each other, the women moved toward me, each kneeling next to me as they passed my dick back and forth between them and made out. They only let me watch and experience, but at that moment, with two beautiful women worshiping my throbbing cock, I really didn't need anything else. I leaned back, realizing that I could tell the difference between each of them.

Monica liked the head, and her tongue did masterful tricks around the slit. Naomi, on the other hand, liked my balls. Either she wanted my whole dick down her throat, so she was sniffing my sack, or she was trying to swallow my orbs themselves.

Finally, Monica pulled me back up and they both got onto my lap, making out with me while each of them reach across and played with the other's pussy. I'm not sure how they kept track of everything, but they told me what they wanted, and they laid down next to each other on the bed, spreading their legs.

Monica's eyes told me to take care of our guest first, and as they made out next to each other, I slid my lubed-up cock into Naomi's hungry pussy. Surges of electricity rushed through me. I wasn't going to last long if I lingered, so I only gave her a few thrusts before switching back to Monica. A few thrusts at a time, going between them. They wanted to share me, and it was the fairest way. It pushed me far longer than I normally last, going back and forth until I felt it building up in me.

Finally, I let loose a long rope deep inside Naomi. I pulled out, letting the string of cum line across her chest as I shot four more helpings all over the bartender's chest, which Monica quickly started licking up with eyes telling me that there was no way we were done.

VACATION PENETRATION

Getting a vacation home was one of the best decisions we made. All summer long we've had our own little area to do as we please. This whole time though I've been hoping he'd notice my warm body waiting in the bedroom. Since he hasn't done much by now, I'll just have to take such matters of love into my own jerking hands.

THIS MORNING'S DICK-TATION

Britt was the receptionist for this busy and rich businessman, but she was well paid so she came in and diligently did her job every day.

Britt sat at her desk applying the last of her makeup before the start of her workday. She had worked for this company for more than ten years and had outlasted many a new CEO. But this one was a little different. He was young, aggressive, indifferent, unmarried and kinda sexy at the same time.

Mr. Bradlee. Bruce Bradlee was his name and he was just in his third week on the job. She found that he was leaning on her for information about the company and its employees. But Britt was not very willing to offer more than he asked. At thirty years of age, Britt was the receptionist for this busy and rich businessman, but she was well paid so she came in and diligently did her job every day.

His workday started early. Probably about 7 am, she figured. He expects her and three other officers to be in his office promptly at nine for their Monday morning meeting. Right at nine, the three department heads gather outside his office door and Britt lets them in, following them with her daily journal in hand to take the meeting's notes.

Britt and the others took their seats around the small conference table in the corner of the room. She distributed the day's papers and stretched her long elegant legs out from under the table. She was of German heritage from Minneapolis, but stayed in Chicago after college. She had an amazing figure with long legs, small waist and a firm pair of D breasts. She was smart and did her job well, but felt she

was sometimes too quiet when she should be speaking up.

Bradlee walked over to the empty seat next to Britt. He was about 45 she thought. His black hair had already begun to grey around the temples. His broad shoulders and muscular arms had begun to soften from years behind the desk. Bradlee glanced around the table and listened as each department head reported. Attentive and sharp, he would occasionally add comments to the notes Britt was taking. After an hour the meeting concluded and the three left leaving Britt and Bradlee sitting at the table. He asked for his daily

appointments and she answered with an 10:30 appointment with the board and then lunch with the wife at noon. 3 pm was a meeting with HR and at 3:30 was the engineering group.

After finishing recounting his appointments, Britt began to gather her papers. He stood up and turned towards her. She gazed up at him with wide, puzzled eyes and gasped slightly as she felt a hand unbuttoning the top of her blouse. She froze at this action as, having the top button undone, he then slid his hands down towards her cleavage and the large, plump breasts pressed tightly against a thin white bra. She tried to say something but her words failed her. Thousands of thoughts and feelings were unexpectedly running through her head.

Britt had grown up being taught that the men you respected – and she could not help but respect this man – you did not question. However, she knew

this was wrong but felt any resistance fade when he bent forward, encircling her with his arms and pausing to take in a deep breath from her neck. She had no commitments, having been divorced three years ago, but he had a wife. How could he be doing this? Why would he do this? She closed her eyes, dizzy with unknown feelings.

He stood her up, pulled her to him and she heard the unzipping at the back of her skirt. As he leaned in, she felt the hard rise of his cock against the side of her thigh and gave a tiny cry of surprise. He pulled away, walking over to lock the door and when he returned to

her, he found that her skirt had fallen around her ankles and she hadn't bent down to pick it up.

Bradlee stared at her fine and full body. She wore matching panties to her bra that were so thin he could see the shadow of pubic hair around her pussy. His mouth opened slightly and he gave an incoherent moan of lust. Stepping forward, he took her tiny waist in his large, commanding grip. Bradlee unhooked her bra and released her large breasts from their confinement. His fingers ran expertly between and around them. By the time he reached her nipples, they had risen into hard, rosy points that tingled and throbbed. Rolling the left nipple with one hand, his breath blowing hard in her face, he took her right nipple between to fingers and increased the pressure until he was pinching it hard. Biting down on her lip, Britt recovered from the pain to discover a mind numbing pleasure she'd never known.

Bradlee backed off as he unzipped his suit pants and dropped them to the floor. His cock was already hard and pulsing with expectation as a small bead of moisture already crowned its head. She offered no resistance when he took her wrist and moved her hand to his cock, gripping it to tighten around its length. He reached for her panties and tugged them off, slipping his fingers between the warm, damp lips of her pussy. He could smell her now – that creamy, musky scent of a woman aroused.

Once he found her clitoris, teasing it cruelly at first, then doing all he could to drive her insane, she let out a cry and her chin fell slightly so it rested on his shoulder. After a few short moments, her entire body shuddered with orgasm and she fell against him, but he wasn't finished yet. As his first finger reached up inside her dripping pussy, she struggled against him, but

a powerful arm was already around her shoulders, clinging her to him. Although she tried to resist, her hips were already bucking involuntarily against his hand. Once he slipped in the second finger, still teasing her clit with his thumb, she let out a soft moan and her cum dripped down his hand. Still thrusting with his hand, he pushed another finger into her.

Bradlee was in control and had three fingers inside her now. She spoke between erotic gasps. "I want you to fuck me. Your finger in my asshole and your cock in my wet little pussy." Removing his shirt and tie, he motioned to Britt how he wanted her to go down onto the floor on all fours. He roughly parted her firm thighs and glanced briefly at her tight ass before grabbing her by the waist and pulling her onto his cock. He felt her insides pulsating tightly against his dick, one finger pushed up into her ass. She cried out but Bradlee kept on thrusting his huge hardness inside her. Leaning forwards, lying across her back, he grabbed her breasts hard in his hands, using them to pull himself in and out of her.

Her cries quickly evaporated into moans of pleasure, and she was shocked at how much she enjoyed the feeling not only in her pussy, but of his finger in her ass. She began to buck back against him, her breasts rolling with the motion, her whole body glistening with sweat. She found herself pushing her hips higher to feel his finger deeper in her butt hole. This in-

vation got her another finger in her butt and harder deeper thrusts into her. Bradlee rolls over and lands on his back near his desk. Britt finds herself rolling on top of him as he slides his cock inside her again. He stares up at her perfectly sculptured body, her huge breasts swaying from side to side while she plunges herself up and down on top of him.

He reaches out one arm and opens the bottom drawer of his desk. After a momentary fumble, he pulls out a black dildo and in one swift motion Bradlee reaches around behind her, and as he pulled her down onto his cock, he shoved the big fat dildo into her ass with a single thrust. She moans and winces, but settles her ass into it as she feels her sphincter relax and accept the untold pleasure it brings. Britt realizes that both her holes are now fully filled and she is being sexed up on the floor in her boss' office – by her boss. Bradlee deftly pumps his cock and the dildo into her as she rides the

rhythm, moaning and groaning in delight. He fucks her harder, partially pulling out the dildo and shoving it back in.

Britt sits up on him and pulls his hand and the dildo away from her ass. Raising herself a little she reaches between her legs and pulls his cock out and then positions it back a bit and lowers her ass on top of it. He moans with ex-

comes back to clean his cock with it. Traces of her were still on him, but she wanted a fresh cock to suck, and with that throws the cloth on the floor and devours his cock with her mouth. She opens his legs and reaches for his balls. Rolling them in her fingers, she finds them huge but cannot resist taking one and then the other in her mouth. Britt is on her knees in front of his rod and balls and is stroking him while sucking

Bending down, Britt noses into his butt crack with her tongue. She finds his pucker and licks it wet, probing the hole momentarily with her tongue. Backing off, she places the tip of the dildo at his butt hole and somewhat defiantly pushes it in – halfway at first – as he pushes his hips forward to retreat from it, but he can't. He lets out a muffled scream as she pushes it further in. Pushing it in and out like a

citement as her warm soft butthole tightens around his shaft. She begins to move herself up and down on it, playing with her breasts and moaning. He replaces her hands with his on her heaving bosom and pinches her nipples hard. Britt cums with her first anal orgasm since college. Collapsing on top of him, she feels his cock still throbbing inside her anus. Britt gathers herself up and stands up in front of him. Bradlee gets up, but she gently pushes him back against the conference table.

He falls back onto it, feet on the floor and cock pointing up to the sky. She tells him to wait there and goes to the bathroom to get a washcloth and

his balls. She moves her mouth back to his cock and licks the shaft. Her hands squeeze it hard and she is sensing he may be ready to cum. But she decides she is not through with him. She stands up and orders him to roll over on his chest on the table. While doing so, she finds the dildo on the floor and wipes it clean.

plastic piston, she reaches under him and grabs his cock. She squeezes it and begins timing her strokes between the dildo and his cock. She withstands his bucking to make his climax monumental. Bradlee straightens up with the dildo still in his ass as Britt furiously strokes his cock until he spurts his man juice all over the table.

Britt playfully throws the washcloth at him and tells him to clean up his own mess. He wipes the table and looks up at Britt. "What time is my next meeting?" She responds that it's in ten minutes with the board.

"Would you like me to cancel it?"
